Send page, note the link is not displayed anymore for submissions larger than 10 MB. All submissions are sent from the Send field without need to select the 'large file applet':

Send documents

1) Select recipients

Receiver: ESUBTEST

2) Add documents

Enter a path to a file or a directory. If a directory is entered, then the entire contents of the directory will be included in the submission.

[Browse...](#)
[Clear list](#)

[Send](#) [Cancel](#)

Make sure the right java pop up is shown when browsing the documents to be send:

The header of the EMA Gateway interface, identical to the first image, showing "EMA Gateway : Test" and user "Nuria/pepita perez".

Send documents

1) Select recipients

Receiver: ESUBTEST

2) Add documents

Enter a path to a file or a directory. If a directory is entered, then the entire contents of the directory will be included in the submission.
