4. Confirmation that registration has been completed

- a) When your profile has been enabled you will receive an email confirmation. You may then transfer files via the External Compliance Testing Environment link using the test credentials you supplied in your application initially. These details are also provided in the PDF attachment of the email confirmation you receive.

5. Password Management

- a) At the time of registration an email is sent to all applicants containing the password they specified in the online registration form. When you log in to the Web Client you will be able to change your password. This is at the discretion of the user and not a mandatory requirement.

Please note that if you do change your password from within the Web Client, the EMA will not be able to re-issue the password if it is lost or forgotten. In this instance you will need to contact the EMA service desk via the online portal <https://servicedesk.ema.europa.eu/> for your password to be reset.

We advise that you keep the email containing the PDF attachment in an appropriately secure location for future reference.

If you experience any issues with the online registration please contact: [EMA service desk](#)
