

## **PART 1 ADMINISTRATIVE DATA AND SUMMARY OF THE DOSSIER**

### **Part 1 Table of content**

#### **1.A Administrative Information**

#### **1.B Summary of Product Characteristics, Label and Package Leaflet**

#### **1.C Detailed and Critical Summaries**

1.C.1 Quality

1.C.2 Safety

1.C.3 Efficacy

## **PART 2 QUALITY DOCUMENTATION**

### **Part 2 Table of content**

#### **2.A Qualitative and Quantitative Particulars of the Constituents**

2.A.1 Qualitative particulars

2.A.2 Usual terminology

2.A.3 Quantitative particulars

2.A.4 Product development

#### **2.B Description of Manufacturing Method**

#### **2.C Production and Control of Starting Materials**

2.C.1 Starting materials listed in pharmacopoeias

2.C.2 Starting materials not listed in a pharmacopoeia

#### **2.D Control Tests During the Manufacturing Process**

#### **2.E Control Tests on the Finished Product**

2.E.1 General characteristics of the finished product

2.E.2 Identification of active substance(s)

2.E.3 Batch titre or potency

2.E.4 Identification and assay of adjuvants

2.E.5 Identification and assay of excipient components No file

2.E.6 Safety tests

2.E.7 Sterility and purity test

2.E.8 Residual humidity

2.E.9 Inactivation

#### **2.F Batch to Batch Consistency**

#### **2.G Stability Tests**

#### **2.H Other Information**

**PART 3 SAFETY DOCUMENTATION**

**Part 3 Table of content**

**3.A Introduction and General Requirements**

**3.B Laboratory Tests**

- 3.B.1 Safety of the administration of one dose
- 3.B.2 Safety of one administration of an overdose
- 3.B.3 Safety of the repeated administration of one dose
- 3.B.4 Examination of reproductive performance
- 3.B.5 Examination of immunological functions
- 3.B.6 Special requirements for live vaccines
- 3.B.7 User safety
- 3.B.8 Study of residues
- 3.B.9 Interactions

**3.C Field Studies**

**3.D Environmental Risk Assessment**

**3.E Assessment required for Veterinary Medicinal Products Containing or Consisting of Genetically Modified Organisms**

**PART 4 EFFICACY DOCUMENTATION**

**Part 4 Table of content**

**4.A General Requirements**

**4.B Laboratory Trials**

**4.C Field Trials**
