

## **2.E Control Tests on the Finished Product**

### 2.E.1 General characteristics of the finished product

See [Tech-1](#) and validation [Report-3](#)

### 2.E.2 Identification of active substance(s)

See [Tech-1](#) and validation [Report-4](#)

### 2.E.3 Batch titre or potency

See [Tech-1](#) and validation [Report-5](#)

### 2.E.4 Identification and assay of adjuvants

See [Tech-1](#) and validation [Report-6](#)

### 2.E.5 Identification and assay of excipient components

Not applicable

### 2.E.6 Safety tests

See [Tech-2](#) and validation [Report-7](#)

### 2.E.7 Sterility and purity test

See [Tech-2](#) and validation [Report-8](#)

### 2.E.8 Residual humidity

See [Tech-1](#) and validation [Report-8](#)

### 2.E.9 Inactivation

See [Tech-2](#) and validation [Report-9](#)
